- Playing cricket
- Reading book
- Listening music

CERTIFICATIONS

- Basic of Web Development

Md Sajid Ansari

Full Stack Web Developer

PROFESSIONAL SUMMARY

A full-stack web developer with dynamic expertise in JavaScript and proficiency in the MERN stack (MongoDB, Express.js, React.js, Node.js). Known for strong problem-solving capabilities and effective communication skills. A collaborative team player with a proactive and self-motivated attitude, I thrive in delivering high-quality solutions and contributing to the success of projects.

PROJECTS

1. Bed Bath &Beyond Clone | ⊕ | ⌨
HTML | CSS | JS

- Developed an e-commerce platform named "Bed Bath & Beyond" to provide seamless online shopping experience for purchasing furniture and sofa couches.
- Implemented features like home page, login/signup functionality, product page with add-to-cart functionality, cart page with increase/decrease/remove features, buy-product/delivery information/add coupon code, and payment page.
- Responsible for developing the signup and login page.
- Collaborated with a team of 5 developers to successfully execute the project in 7 days.

2. Gordon Resort Hotel | ⊕ | ⌨
HTML | CSS | JS | CHAKRA UI

- Developed an e-commerce platform hotel booking website.
- Implemented features such as a home page, login and signup functionality, product page with sorting options, booking page, and payment page.
- Responsible for developing the product page with sorting functionality from high to low and low to high.
- Implement a responsive design to make the website accessible across various devices.
- Part of a collaborative project built by a team of 3 developers and executed in 7 days.

ACHIEVEMENTS

- **Zoom Marathon Challenge,**
  Masai School
